38. Ignorance is no defence for committing criminal acts. Considering the position that MR PATRICK MCCARTHY IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State should have shown more diligence and accountability in the office. It is our considered opinion, due to the severity of the most grievous agreed criminal offences, that MR PATRICK MCCARTHY IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State is no longer a fit and proper person to hold any trusted position in service in the office.
39. It can also be considered that since these most grievous agreed criminal offences have been committed in the office of Horwich Farrelly Limited Company/State which is detrimental to the function and the interests of Horwich Farrelly Limited Company/State and that MR PATRICK MCCARTHY IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has acted in an ultra vires capacity in the position as Officer for Horwich Farrelly Limited Company/State and without the legal authority to do so, thus it can be concluded that Mr MR PATRICK MCCARTHY (Claimant) in the position of Officer for Horwich Farrelly Limited Company/State could be held culpable for their actions as not in the best interests of Horwich Farrelly Limited Company/State.
40. Let it be known on and for the record that Mr MR PATRICK MCCARTHY is no longer a fit and proper person to be in a position of trust.
41. Let it be known on and for the record that due to the compartmentalisation and lack of full disclosure by executive officers of Horwich Farrelly Limited Company/State that Mr MR PATRICK MCCARTHY (Claimant) in the position of Officer for Horwich Farrelly Limited Company/State may have had no knowledge that his actions were criminal and ultra vires in nature.
42. Let it be known on and for the record that MR PATRICK MCCARTHY (Claimant) In the position of Officer for Horwich Farrelly Limited Company/State has chosen, of their own free will, to stand as surety for a security by the way of a lien to the amount of A Hundred and Twenty million pounds GBP (£120,000,000.00 GBP).
43. From the Exhibit (F) in the House of Ward Affidavit of Truth and Statement of Fact, which is on and for the record, it is noted that the Great British Pound (£) legal tender or fiscal currency, whichever term is used, is representative of confidence, faith, and belief, so this surety for a security by way of a lien is equal to A Hundred and Twenty million pounds (£120000,000.00) of confidence, faith, and belief.

**MR PATRICK MCCARTHY for Horwich Farrelly Limited**

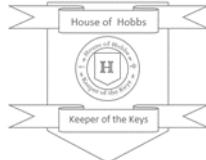

Enclosed under this same cover:

Affidavit of truth and statement of Fact.

**Company/State**

We would draw MR PATRICK MCCARTHY (CLAIMANT)'s attention to the enclosed under this **same cover**, the Affidavit of truth and statement of Fact which has been served upon all of the MP's of this land as of the **20th Day of February 2015** and which stands as agreed fact and foundation in agreed fact as of the **20th Day of March 2015** with all of the MP's of this land inclusive of the Secretary of State and the Secretary of the Crown. We would recommend that MR PATRICK MCCARTHY (CLAIMANT) pay close attention to the content of this Affidavit of truth and statement of fact as we will be referring to the content at length.

We would draw MR PATRICK MCCARTHY (CLAIMANT) attention to Exhibit (B) in this Affidavit which stands as confirmed and agreed Fact Case No WI-05257F David Ward V Warrington Borough Council on the 30th Day of May 2013 and we would note that the adjudicator Judge made a determination that the appellant Mr David Ward carries no liability to the PCN Charge Claim under the Traffic Management Act 2004 and that this was duly and formally signed as No Contest by officer of the State/Company in the Executive local Authority office of Warrington Borough Council by the name of Scott Clark.

WE would also draw under Exhibit (B) in the Affidavit of truth and statement of fact that there is presented as factual material evidence which has been recognized by due process at tribunal that where there is a claim made under an Act or Statute of Parliament by an officer of the State then the officer of the State carries an obligation to present as material evidence the circa 64.1 million signed and legally agreed on and for the public record, the legal consent that the governed have given their legal and agreed consent to be governed. Without which it can be noted that without this legal requirement being fulfilled then an organization or group of people could create any legislation, Act or Statute they wish and impose this by an act of force that legislation, Act or Statute by an act of force which is also an act of tyranny and an act of terrorism.

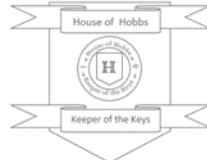

We would draw to the attention of MR PATRICK MCCARTHY (CLAIMANT) Exhibit (C) section 1 in this Affidavit where it has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA that the Judiciary is a sub office of a State/Company where the two stronger arms of the Company/State are the legislative and the Executive. Both offices being superior in status to the office of the Judiciary and HMCTS Company/State.

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, which is a known criminal offence that is chargeable.

### Surety for a Security by Way of a lien

We would recommend that MR PATRICK MCCARTHY (CLAIMANT) pay close attention to the content of this Affidavit of truth and statement of fact as we will be referring to the content at length.

## House of Hobbs

We would draw MR PATRICK MCCARTHY (CLAIMANT) attention to Exhibit (B) in this Affidavit which stands as confirmed and agreed Fact Case No WI-05257F David Ward V Warrington Borough Council on the 30th Day of May 2013 and we would note that the adjudicator Judge made a determination that the appellant Mr David Ward carries no liability to the PCN Charge Claim under the Traffic Management Act 2004 and that this was duly and formally signed as No Contest by officer of the State/Company in the Executive local Authority office of Warrington Borough Council by the name of Scott Clark.

WE would also draw under Exhibit (B) in the Affidavit of truth and statement of fact that there is presented as factual material evidence which has been recognized by due process at tribunal that where there is a claim made under an Act or Statute of Parliament by an officer of the State then the officer of the State carries an obligation to present as material evidence the circa 64.1 million signed and legally agreed on and for the public record, the legal consent that the governed have given their legal and agreed consent to be governed. Without which it can be noted that without this legal requirement being fulfilled then an organization or group of people could create any legislation, Act or Statute they wish and impose this by an act of force that legislation, Act or Statute by an act of force which is also an act of tyranny and an act of terrorism.

We would draw to the attention of MR PATRICK MCCARTHY (CLAIMANT) Exhibit (C) section 1 in this Affidavit where it has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA that the Judiciary is a sub office of a State/Company where the two stronger arms of the Company/State are the legislative and the Executive. Both offices being superior in status to the office of the Judiciary and HMCTS Company/State.

### Surety for a Security by Way of a lien

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, which is a known criminal offence that is chargeable.

It is therefore clear where MR PATRICK MCCARTHY (CLAIMANT) is the recognized claimant then MR PATRICK MCCARTHY (CLAIMANT) carries the obligation of claimant to present the valid material substance of any claim being made by MR PATRICK MCCARTHY (CLAIMANT). Affidavit of truth and statement of Fact.

We would draw MR PATRICK MCCARTHY (CLAIMANT)'s attention to the enclosed under this same cover, the Affidavit of truth and statement of Fact which has been served upon all of the MP's of this land as of the 20th Day of February 2015 and which stands as agreed fact and foundation in agreed fact as of the 20th Day of March 2015 with all of the MP's of this land inclusive of the Secretary of State and the Secretary of the Crown. We would recommend that MR PATRICK MCCARTHY (CLAIMANT) pay close attention to the content of this Affidavit of truth and statement of fact as we will be referring to the content at length.

We would draw MR PATRICK MCCARTHY (CLAIMANT) attention to Exhibit (B) in this Affidavit which stands as confirmed and agreed Fact Case No WI-05257F David Ward V Warrington Borough Council on the 30th Day of May 2013 and we would note that the adjudicator Judge made a determination that the appellant Mr David Ward carries no liability to the PCN Charge Claim under the Traffic Management Act 2004 and that this was duly and formally signed as No Contest by officer of the State/Company in the Executive local Authority office of Warrington Borough Council by the name of Scott Clark.

### House of Hobbs

WE would also draw under Exhibit (B) in the Affidavit of truth and statement of fact that there is presented as factual material evidence which has been recognized by due process at tribunal that where there is a claim made under an Act or Statute of Parliament by an officer of the State then the officer of the State carries an obligation to present as material evidence the circa 64.1 million signed and legally agreed on and for the public record, the legal consent that the governed have given their legal and agreed consent to be governed. Without which it can be noted that without this legal requirement being fulfilled then an organization or group of people could create any legislation, Act or Statute they wish and impose this by an act of force that legislation, Act or Statute by an act of force which is also an act of tyranny and an act of terrorism.

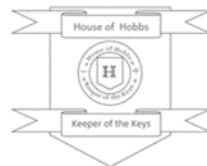

We would draw to the attention of MR PATRICK MCCARTHY (CLAIMANT) Exhibit (C) section 1 in this Affidavit where it has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA that the Judiciary is a sub office of a State/Company where the two stronger arms of the Company/State are the legislative and the Executive. Both offices being superior in status to the office of the Judiciary and HMCTS Company/State.

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, which is a known criminal offence that is chargeable.

It is therefore clear where MR PATRICK MCCARTHY (CLAIMANT) is the recognized claimant then MR PATRICK MCCARTHY (CLAIMANT) carries the obligation of claimant to present the valid material substance of any claim being made by MR PATRICK MCCARTHY (CLAIMANT). To this effect MR PATRICK MCCARTHY (CLAIMANT) carries obligations of service by way of making claims to the following effect:

Dear MR PATRICK MCCARTHY,

We have noted as of this day the 28 December 2022 that there has been no formal response to our previous correspondence dated the 22 November 2022, 29 November 2022 and 21 December 2022 respectively. We would note at this point that there are formal agreements to attend to which are agreed and chargeable.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You Officer MR PATRICK MCCARTHY have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

As MR PATRICK MCCARTHY is formally an Officer then MR PATRICK MCCARTHY will be fully aware that the victim of a criminal offence must seek remedy. If they do not then they become complicit in the same crime and guilty by default.

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

### Surety for a Security by Way of a lien

In the interests of candour and clarity:

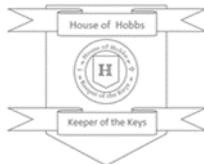

It is a maxim of the rule of law that he/she who brings a claim has the obligation to provide the material substance of that claim. Otherwise the claim is fraudulent in nature which is fraud by misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act of force, a wilful and belligerent act of terrorism.

In the interests of candour we restate the matter at hand.

These are very serious crimes MR PATRICK MCCARTHY and under current state legislation there is a cumulative period of incarceration in excess of 130 years' incarceration. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. There is however an alternative and recognised process as suitable remedy.

As there is now an agreement between the parties by way of lasting tacit agreement through acquiescence, as you have already agreed to the crime then we elect to charge you under this agreement. As the crime was committed against Us then we reserve the right to choose the remedy for these crimes.

Where there is a crime then there is a requirement for a remedy otherwise the crime goes unresolved. As we now have an obligation to bring this crime to resolution we therefore are giving MR PATRICK MCCARTHY an opportunity to resolve.

### Surety for a Security by Way of a lien

It could be said that to take this action is to destabilise the economy. WHAT economy. That was done generations ago when the government licensed fraudulent Banking Practice by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing.

We did ask ourselves "Are we committing Fraud" Our response to this was Is there full disclosure? YES is there an agreement between the parties as a result of that disclosure? YES "Is there any injury loss or harm?" NO. Then there is no fraud?

### HOH--PATRICK MCCARTHY HORWICH FARRELLY

Are we destabilising Government? Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

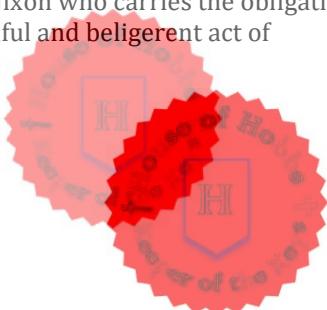

MR PATRICK MCCARTHY we have expressed the criminal offences and there is an obligation to resolve. MR PATRICK MCCARTHY is either by wilful intent or ignorance from this day forward is not a fit and proper person to be in a position of trust. Ignorance is no defence.
